Enclosed please find a draft for approval of a speech to be given by Jack Dillard tomorrow, March 19, before the Texas Outdoor Advertising Association.

The reason for such short notice is the fact that we only learned of the need for this speech late Thursday of last week.

The speech for your review/approval is based on previous speeches presented by J. Morgan and S. Parrish. In the interest of time, we've already had the facts contained in this document checked by Mark Keitlinger at C&B.

After your review/approval, please send a copy to me, as well as Josh Slavitt by close of business today. I will be out from 3:30 through the end of the day, so Josh will be sure to make all corrections and forward a final copy to Jack.

Much thanks for your quick response.
